

Christmas at Project Adventure brought me something that I have not had the luxury to experience in years. Peace is a great thing to have when you are in a living hell, it is a weapon of great power. For that day no evil nor injustice could stray my mind from peace. I saw joy, happiness, excitement, and surprise all in that day.

"There is no fear when you have peace for peace is not a thing of the mind, but of the soul."
